

# Examination Rules of School of Medicine for International Students

1. You are permitted to enter the classroom after the school bell rings. Do not enter the classroom before the examination starts.
2. Only stationary which you need to use during the examination are allowed to bring in to the classroom (e.g. pen, pencil, eraser and whiteout). Other personal belongings, bags, mobile phones are not allowed at your desk. Please keep it outdoor or secure it in your personal locker.
3. Please sit at the arranged seat. If you are found to sit at the wrong seat, the total score of the subject will be deducted 5 point right away and you will be asked to go back to the seat as arranged.
4. You are permitted to take the examination if you arrive within 20 minutes after the scheduled time; later than 20 minutes is not allowed. No one is allowed to leave the classroom for the first 40 minutes of the examination.
5. If you are being found to cheat and involved in a fraudulent practice or irregularity during exams, you shall be given a major demerit according to Article 9 of the "Regulations for Students Rewards and Punishments at I-Shou University". And please be noted that according to Article 7 of "Terms of the Program" of ICDF, that Taiwan ICDF has the right to terminate your scholarship if you have been given any major demerit by your host institute.
